Apply 1gal per acre for .33#N  
Apply 2 gal per acre for .66#N

## PURELY LIQUID 14-1-1

- Combines Lysine extended release nitrogen technology with a liquid plant food that is rich in proteins and carbohydrates.
- Will provide immediate green up and extended feeding for 8 to 10 weeks.
- Enhances soil chemistry and structure by providing calcium and naturally occurring humates.
- Can be used as a supplemental or base nutrition product.
